FINANCIAL PLANNING AGREEMENT

This Financial Planning and Consulting Agreement (“Agreement”) dated this _____ day of _____, 2025 is by and between Bulldog Financial Planning LLC (“BFP” or “Adviser”), a registered investment adviser, and _____ (“Client”). This Agreement shall become effective on the day and year first written above.

Terms and Conditions

This agreement sets forth the terms and conditions of the financial planning services, outlines the responsibilities of the parties and defines the relationship of BFP and the Client. The Client hereby appoints the Adviser to provide the services as described below.

Financial Planning Services

BFP will provide financial planning services as needed in the areas specified below. BFP will summarize the planning services in a written plan for the Client, which reflects the Client’s current financial circumstances, financial outlook, and personal objectives.

- Hourly Financial Planning on an As-Needed Basis
- Subscription Based Planning
- Financial Planning Seminar or Training Session

BFP does render tax advice, but we do not perform tax preparation services. BFP does not perform legal services or write insurance policies. When needed, we will refer clients to an attorney, insurance agency, or an accountant.

Planning

In creating the plan for the Client, the Client and BFP will follow this planning process:

a) Data Compilation:

An initial interview is conducted with each Client (either in person, by telephone conference, and/or via a questionnaire) to determine the Client’s financial circumstances, goals, acceptable levels of risk and other relevant circumstances. The Client will provide the Adviser with financial and personal data necessary to prepare the Client’s financial plan. The Adviser will estimate the time required in formulating and implementing a plan for the Client after the facts are gathered.

b) Analysis:

The Adviser will analyze data and documents provided by the Client, evaluate the Client’s ability to meet the plan objectives, make observations, identify problems, and recommend strategies for the Client’s consideration.

c) Written Plan:

Based on the data the Client provides, the Client’s chosen objectives and the Adviser’s analysis, the Adviser will prepare and present to the Client a personal financial plan summarized in written form.

General Investment Advice, Education, and Misc. Services

Bulldog Financial Planning will provide educational opportunities to individuals or to groups of individuals. This could be sponsored by potential clients, third parties or be hosted by myself as a form of marketing. The scope of these sessions will be based on the topics requested which could vary with each session.

Client Rights and Obligations

The Client agrees to provide information and/or documentation requested by the Adviser, as it pertains to the Client's income, investments, taxes, insurance, estate plan, etc. The Client also agrees to discuss with the Adviser his/her investment objectives, needs and goals. The Client acknowledges that the Adviser will rely on the personal and investment information provided to the Adviser by the Client, Client's attorney, accountant or other professionals in managing the Client's Account ("Account"). The Client agrees to give the Adviser prompt written notice of any modifications, changes or investment restrictions applicable to the Account and to notify the Adviser if the Client deems any investments recommended or made for the Account to be in violation of such investment objectives or restrictions. Unless the Client promptly notifies the Adviser in writing of specific investment restrictions on the Account, the investments recommended for or made on behalf of the Account shall be deemed to be in conformity with the Client's investment objectives. Although tax considerations are not generally a factor in managing accounts, it is the Client's responsibility to notify Adviser if such considerations are relevant to the Client's overall financial circumstances.

The Client acknowledges that the Adviser cannot adequately perform its services for the Client unless the Client diligently performs his/her responsibilities under this Agreement. The Adviser shall not be required to verify any information obtained from the Client, Client's attorney, accountant or other professionals, and is expressly authorized to rely upon the information provided by these professionals. Furthermore, the Client understands that the responsibility to update changes to investment guidelines, restrictions and portfolio objectives rests solely with the Client. Consequently, the Client agrees to indemnify BFP for any liability incurred by reason of any inaccurate information provided by the Client.

Upon the death or incapacity of the Client BFP shall contact the Trusted Contact Person listed in Appendix A below. In the event that no trusted contact person is named, the Client's death or incapacity will not terminate the authority of the Adviser granted herein until the Adviser receives written termination notice from the Client's executor, guardian, attorney-in-fact or other authorized representative.

Implementation of the Client's Financial Plan

The services of the Adviser under this Agreement are limited to recommending strategies for the Client to consider in achieving the Client's financial objectives. It is clearly understood that Client is under no obligation whatsoever to purchase any financial product or service from the Adviser during or after this planning process.

The Adviser will, at the Client's request, facilitate and coordinate the steps to implement the Client's plan, in conjunction with the Client's attorney, accountant, and other pertinent advisors. However, implementation of product related recommendations are not included under this Agreement. If the Client desires, the Adviser's representative, will recommend specific investments, insurance, or other financial products through which the Client can implement the Client's plan. The purchase of such products typically results in the payment of fees and/or commissions. The Client is under no obligation to follow, either wholly or partially, any recommendation made by the Adviser.

Representation

It is understood by the Client that the Adviser is a Rhode Island Single Member Limited Liability Company and that the Adviser is licensed/registered with all of the appropriate regulatory jurisdictions that the Adviser believes it has a duty to license/register.

It is understood and acknowledged by the Client that the Adviser is not engaged in the practice of law or accounting, and as such, will not render any legal or accounting advice hereunder nor prepare any legal or accounting documents for the implementation of any of Client's financial or investment plans.

Legal Capacity

If this agreement is established by the Client, the undersigned, in a fiduciary capacity, hereby certifies that he/she is legally empowered to enter in or perform this agreement in such a capacity. If this agreement is established by a corporation, the undersigned certifies that the agreement has been duly authorized, executed and delivered on behalf of such corporation and that the agreement is a validly certified copy of a resolution of the board of directors of the corporation to that effect and authorizing the appropriate officers of the corporation to act on its behalf in connection with this agreement.

Non-Exclusive Relationship

It is understood that the Adviser performs investment advisory services for other clients. The Client agrees that the Adviser may give advice and take action with respect to any of its other clients, which may differ from the advice given or the timing or nature of action taken with respect to the Account, so long as it is the Adviser's policy to the extent practical, to allocate investment opportunities to the Account over a period of time on a fair and equitable basis relative to other clients.

Confidential Relationship

The parties hereto agree not to disclose to any other party and to keep confidential the terms and conditions of this Agreement and any amendment or supplement thereto. Notwithstanding the foregoing, BFP may disclose Client information to such person(s) to include (a) its employees, directors, agents, attorneys, accountants, and other professional advisors; (b) any governmental authority having jurisdiction over BFP, or to the extent required in response to any court order or other governmental authority, or as otherwise required pursuant to any requirement of law; (c) any stock exchange, regulatory, or self-regulatory organization having authority over the Client or BFP; and (d) any third party whom BFP (in its sole discretion) deems it necessary to disclose such information to in connection with the management and servicing of the Account. In the event that any party hereto breaches any provision of this section, the other party shall be entitled to temporary and permanent injunctive relief against the breaching party without the necessity of proving actual damages.

However, the rights and obligations hereunder will not be assignable, transferable, or delegable without the express written consent of the other party. Any attempted assignment, transfer or delegation thereof without such consent will be void. The foregoing does not prevent an assignment by BFP in connection with any transaction which does not result in a change of its actual control or management within the meaning of Rule 202(a)(1)-1 under the Investment Advisers Act of 1940.

Waiver

Failure of either party at any time to declare breach and termination of Agreement due to any violation or violations by the other party of the provisions hereof shall not be deemed a waiver on the part of such party. Any subsequent violations by the other party following a demand for strict compliance shall not be deemed a waiver, expressed or implied, and notice of breach thereafter, need not be served on the other party.

Severability

If any part of this Agreement is found to be invalid or unenforceable, it will not affect the validity or enforceability of the remaining terms of this Agreement.
